

Investor Terms of Use

1. Nature of Platform

Investment Lens is an analytical tool designed to assist investors in reviewing startup data.

It does not provide investment advice or recommendations.

2. Independent Decision-Making

Investors agree:

- All investment decisions are made independently
- Redtail is not responsible for outcomes

3. No Fiduciary Duty

Use of the platform does not create:

- Fiduciary relationship
- Advisory relationship

4. Data Responsibility

Investors must:

- Use data responsibly
- Maintain confidentiality of materials

5. No Redistribution

Investors may not:

- Resell platform outputs
- Distribute proprietary scoring models

6. Limitation of Liability

Redtail is not liable for:

- Investment losses
- Missed opportunities
- Reliance on platform outputs

7. Platform Evolution

Models and scoring methodologies may evolve over time.
